- It is mandatory that all loads are secured with load bars, logistics straps or slip sheets. D.O.T regulations state this is mandatory when transporting goods. Failure to do so will result in claims for related damages to product.
- It is mandatory that the requested reefer trailer temperatures are maintained on 'continuous' setting. Failure to do this can result in claim up to the full value of the product. Within 48 hrs of the original request the download must be provided. (freight invoices may be reduced to \$0.00 for failure to provide requested setting and/or download)
- Drivers must check in with Star Produce at 306-975-9486 every morning before 9:00 am. Please reference your load number when checking in. A charge up to \$500 could be applied for each failure to comply.
- Notification of any delay interrupting the delivery schedule must be reported to a minimum of 12 hrs prior to delivery. Failure to do so could result in a late fee of \$500, rejections and/or claims. Drivers must make an appointment to unload at Star at least 24 hours prior to arrival
